Call to Order

The meeting was called to order at 9:09 a.m.

Discussion Items

a. Public Art Funding

Craig O'Neil mentioned that he and Clarissa Howard clarified with the City Commissioners that there is not additional funding in general set aside for the public art board. Commissioners had previously meant to imply that if there is a project that the board wants to bring up to Commission, they would consider it at that time. With that information being said, Craig suggested for the board to move forward with the public funding source request.

Charles Hamilton stated that he put examples in the public art funding presentation to show the Commissioners what a requested dedicated funding source would be used for. Charles and Elizabeth reviewed the board member Ideas Revised document from the last work session on April 5, 2022. There were minor adjustments to the revised documents.

Charles Hamilton presented his PowerPoint presentation.

Adjournment

Motion by Charles Hamilton, seconded by Elizabeth Ingram, to adjourn the meeting. With no further business, the meeting adjourned at 10:20 a.m.
