4. Action Items

- a. Amazing Frames Stained Glass Installation Proposal

The stained-glass peacock has been accepted, and will be installed in the event center on the wall near the staircase. At the last meeting Joanne, Amazing Frames USA Inc, gave a brief description of the installation plans for the stained-glass art piece. Specific details including the frame design, placement of the frame, light installation, modifications and measurements were discussed. Mr. O'Neil will be working with City staff and Amazing Frames staff to have electric outlets installed, however the installation date is not yet confirmed. An unveiling event/reception will be held at the Winter Park Event Center, which will be open to the community, including the family that donated the stained-glass peacock. Staff explained once the bid is approved by the board the installation of the stained-glass peacock will begin, which is anticipated to take two months to complete. Staff will have more information at the upcoming

meeting regarding the unveiling event.

Motion made by Betsy Gwinn to accept the Amazing Frames installation proposal as presented today; seconded by Charles Hamilton. Motion carried unanimously with a 7-0 vote.

b. Photographer for Public Art Online Inventory Project

Craig introduced Mr. Phil Eschbach. The board expressed two major concerns pertaining to the estimate and the final appearance of the photos. The board raised questions regarding the quality of the photo's setting and the location of the photos.

Mr. Eschbach briefed the board on his services and experience with working with the City of Winter Park previously and referenced aerial photos for all of the City's parks that were captured by him. He asked the board about the formatting preference for each piece of art, resolution preference and perimeters for him to follow. Mr. Eschbach further inquired about the location of art indoors and outdoors as well as the landscaping preference. The board expressed their opinions on updating the art pieces. It was decided to examine all art pieces, determine the necessary changes that would be acceptable pertaining to photo shopping the backgrounds, staging a setting applicable backgrounds for art pieces and re-shooting photos that need to be updated. Further discussion ensued. A work session will be scheduled to further explore photo/air piece options including Mr. Eschbach.

Motion made by Betsy Gwinn to approve the proposal presented by Phil Eschbach to photograph the art collection with recommendation from the Public Art Advisory Board at the upcoming work session ; seconded by Charles Hamilton. Motion carried unanimously with a 7-0 vote.

6. Staff Updates

a. Chain of Lake Canals for Possible Mural Installations.

Director of Natural Resources & Sustainability Gloria Eby and Lakes Division Manager Joseph Cordell briefly introduced the potential canals applicable for murals. Mr. O'Neil displayed a video of various lakes/canals captured on the boat tour along with the Lakes staff. The board expressed their concerns about graffiti/vandalism on the walls in response Ms. Eby stated graffiti does not happen often. Preventative measures such as adding warning signs to the wall would be beneficial. Mr. Cordell provided Mr. O'Neil with all the appropriate measurements for the canals and mural space. Staff will have to coordinate with the Florida Department of Transportation (FDOT) pertaining to the bridges that are state property. The board and staff discussed the best possible times of

year/ months to have the murals installed due to weather, water levels, potential hours etc. Lakes offered to provide one vessel for an artist to work from when completing the murals. Ms. Bohl displayed an imagine from the Sacramento River, the Indigenous waterfowl and proposed through the Request For Proposal (RFP) that Indian Art should be added within the community. Ms. Eby stated there are resources that she will send to Mr. O'Neil to distribute to the board. A brief conversation followed.

b. Budget Review

Mr. O'Neil displayed a budget chart to the board showing \$19,990 is available for use this year. The board inquired about the deadline for the determination of the surplus money, Mr. O'Neil stated it will be early spring. The murals are anticipated to be complete in the Spring of 2025. The board inquired about an event unveiling for the Stained-glass art piece which would host approximately 100 people. Suggestions on having the event sponsored were discussed.

7. Board Comments

There were none.

Approve Photographer for Online Public Art Inventory Photos

motion | recommendation**background**

At the last Board meeting on Monday, January 29, the Board decided to hold a work session with city staff and Phil Eschbach (photographer) to decide on how to best move forward with the photography process for public art inventory. The work session was held on Tuesday, February 6th. Each photo from the inventory was discussed and assigned a label of "stage" or "as is." The art pieces that are labeled "as is" will be photographed where they are currently located. The art pieces that are labeled "stage" will be removed from their current location and brought to a photography set that will be temporarily created in the Library. Phil Eschbach will take all the photos he can by himself, and then city staff will assist him with the ones requiring staging.

Approximately 25 pieces of art will need to be staged. Phil Eschbach will present a more accurate estimate for Board approval based upon the hours/days he estimates it will take to complete this job.

CITY OF WINTER PARK

PROPOSAL/ESTIMATE FOR PHOTOGRAPHY OF CITY ART

I charge by the hour or day at \$150/hr or \$1000/day. So it would depend on how long it takes to get it all done. I would guess certainly more than a day but probably less than a week.

I would need a list of all art to be photographed and where located in order to give a more accurate cost.

Lake Canal Mural Discussion.

motion | recommendation**background**

At the Board's last meeting, several videos of the canals were shared to show Board members the mural location possibilities. Gloria Eby, Natural Resources & Sustainability Director, and Joseph Cordell, Lakes Manager, also presented the idea and answered Board member questions. Gloria Eby also recommended two books for the Board to review titled "Orlando Lake Homesteaders & Namesakes" by Richard Lee Cronn and "Winter Park Chain of Lakes - Boathouses Past & Present" by Elaine Sullivan, as these would be helpful in moving forward with mural ideas.

strategic objectives

This project needs to be done when the water levels are at their lowest during the spring. Therefore, the goal is to prepare to undertake this project in Spring 2025.

alternatives | other considerations**fiscal impact**

TBD from budget once an RFP is created.
