- a. Seven Oaks Park Mural Discussion with ACoLab Owner

Angel Cardona owner of ACoLab 1194 N. Orange Avenue, is under a 5 year lease with the building owner and is excited about the idea of a mural on the side of the building

facing Seven Oaks Park. He would like input into the final image to ensure it correlates with his business ACoLab which stands for Artist Collaborative. Mr. Cardona suggested an interactive mural to encourage photo ops, selfies, and social media engagement. He suggested engaging the community with positive affirmations or a photo-friendly thought bubble. He understands that the mural is not meant for advertising. Currently, there is no entrance or walkway to the wall.

b. Seven Oaks Park Tour and Drone Video for Potential Art Installations

Mr. Humphress narrated the drone video tour of Seven Oaks Park. The board discussed locations for art placement, landscaping, the mural, and the limitations of sculptural art in Seven Oaks Park. It was staff's suggestion to locate the sculptural art in MLK Park and have one sculpture art in Seven Oaks and the other three in MLK Park. The board agreed the signature spot in Seven Oaks Park will require a permanent piece.

Extensive discussion continued, including the budget, events held in the park, square footage of the park, the signature spot, and the mural. Mr. Humphress suggested the mural, if agreed upon, should be added after the park is completed. The board agreed that they are laying the groundwork for a project in 2026. Mr. O'Neil will notify the Parks Director and City Management of the intention of the PAAB to install a permanent piece in the signature location.

c. White A Refurbish

White A was refurbished and looks new and glossy white. Ms. Broman is working on a didactic.

d. Post Office Mural

Ms. Bohl provided the update on the post office mural. The Postmaster asked for the cost and will discuss it in January after the holidays.

e. Public Art Collection Rack Cards

Ms. Broman provided an update to the board regarding the rack cards designed to promote the online public art collection. The digital poster is located on I the Park Ave and Train Station kiosks as well as in the lobby at City Hall. Ms. Broman suggested future themes using inspiration from the public art collection. The rack cards and puzzles were handed out at the City Commission meeting last Monday. Ms. Ariail shared compliments that were received from Winter Park residents at the History Museum Christmas party. Ms. Bohl stated her appreciation for the staff.

f. Customized Lunches

Mr. O'Neil announced there will be no more customized lunches. The board will need to inform Ms. Robinson if there are any dietary restrictions. It was requested to reduce the amount of times pizza is ordered.

Additional Staff update:

Ms. Ariail shared the Arts in the Park Weekend update received from Open Scene. There will be a temporary interactive dome in the park. The material used for the dome will also create an immersive experience on the front lawn at City Hall. Open Scene's temporary art is being built by the community every Saturday and Sunday afternoon. Board members were invited to assist. The size of the dome is 8 ft tall, 20 ft wide, made of connected pool noodles laid on a PVC skeleton and secured with 80" stakes.

Seven Oaks Mural

motion | recommendation**background**

The owner of ACoLab, attended the last PAAB meeting to offer his approval a mural on the north outside wall of the building facing Seven Oaks Park. The board needs to decide whether or not to move forward with this idea to fund and manage a mural installation. Artist Kelsey Montague recently reached out to Winter Park in regard to a mural painting opportunity. Kelsey is a street artist whose art first went viral with Taylor Swift posing in front of her angel wings in New York City. Her website is kelseymontagueart.com. She has expressed an interest in painting a mural in Winter Park, so may be one of the artists the board wants to consider if they would like to move forward.

alternatives | other considerations**fiscal impact**

The cost estimate for a potential mural will be based upon the square footage of the wall and typically cost between \$20 and \$30 per square foot.
