### **4. Action Items**

- a. Edit to Open Space Business Permit

Jason Seeley, Parks & Recreation Director, gave a brief overview of the Open Space Business Permit process and purpose along with the challenges staff has been facing recently. The largest issue facing city staff has been photographers conducting

business within the parks. Kraft Azalea is a small neighborhood park with very limited parking, so when the park is overrun with people conducting business, it interrupts the park's intended use. While we do have park rangers and park attendants, it is very difficult to consistently patrol the parks. Mr. Seeley feels the city needs to install additional signage stating the rules. Mr. Sims inquired if Dinky Dock falls under the same purview.

Additional concerns of the board are social media influencers who set up large props and individuals being in the background of wedding photos or photography sessions.

**Motion made by Tom Sims, seconded by Lisa Tinker Marsh, to approve the permit edits as presented.**

**Motion passes 7-0.**

## **5. Non-Action Items**

### **a. Kraft Azalea Park Management**

Mr. Seeley provided a chart along with background information pertaining to Kraft Azalea rentals. Discussion ensued, including the number of permitted events per day, parking concerns, traffic counts, and annual nesting birds in the area. Mr. Seeley informed the board that staff has decided to discontinue allowing professional picnic companies to operate within the parks. In summary, he suggested three open space permits per day on weekends, limiting weddings to two per day, and strategic placement of staff to educate and monitor the park during peak hours.

During spring nesting bird season, perhaps staff can limit permitted activity. Board members suggested speed tables to assist with slowing traffic flow, hence lowering the risk of harm to the birds. Staff will make the agreed-upon changes to the application and place it on the September meeting agenda as an action item. The August agenda is reserved for the Fee Schedule and Parks & Recreation Master Plan discussions.

It was recommended by board members to enlist Rollins students looking for community service hours to assist with monitoring and educating people conducting business in the park of the permitting process.

## **6. Staff Updates**

### **a. Board Appreciation Dinner**

Mr. Seeley reminded the board members about the Board Appreciation Dinner tomorrow at 5:30 pm at the Events Center and encouraged them to attend

### **b. Projects and Programs Update**

Mr. Seeley provided a brief update to the board that included public comment from Mr. Redmond during the May meeting regarding creating walkable trails in the Howell Creek area. Mr. Sims suggested that the City provide Mr. Redmond with guidelines and

parameters and allow him to put together a volunteer group to clear the walking path. Mr. Seeley met onsite with Mr. Redmond and reviewed the suggested area and stated there were some markings of the potential path.

Completed projects include the MLK pickleball lighting and the WP Pines kitchen annex

Current projects include MLK playground where demolition is underway and should pick up progress around the end of July, the DeArcos family game tables, which should be delivered this week to be installed once the concrete is poured and cured, and staff is awaiting the start date of the Lake Baldwin pavilion installation . West Meadow has had some irrigation and sod upgrades and additional trees have been planted. During that time, the Saturday Farmer's Market is being held in the Seven Oaks Park.

The Howell Branch Preserve pond beautification project plans are 30% complete. MLK 1 is closed at this time and maintenance closures will rotate throughout the summer to allow the fields time to recover.

Points of interest: No meeting in July, next meeting is in August. He asked Board members to email their topics of interest as far as projects for staff to review prior to the August meeting.

## Staff Recommendations

- 5-10% increase on rental fees where fiscally we do not price ourselves out of the market. (Event Center, Country Club, Farmer Market, Community Center, pavilions, etc.)
  - i. (ex. Athletic fields are the most expensive in the area)
- 5% increase on program fees if not pricing ourselves out of market
- Credit card fees 2.5-3% paid by customer
- Tennis Center change annual play pass to seasonal (September-April) add a resident rate of \$300 and \$350 non-resident. (currently \$350)
- Event Center
  - decrease fee for rooftop terrace as the hourly rate is more than the grand ballroom rate and rarely rented because of that.
  - Tiedtke Amphitheater fee lowered in line with the other outdoor spaces to make it more enticing to rent. (currently rented 3 times a year)
  - Remove the “Continuous/Recurring Groups: additional 15% off” - as we have never offered that discount at the WPEC.
- Cemetery 10% fee increase
- Saturday Farmers Market
  - increase electricity fees and 10% monthly increase
  - Pop up vendor fee add electricity fee
