(1) Call to Order

Meeting called to order by Chairwoman Jeanne Wall at 10:07 a.m.

(2) Consent Agenda

Motion to approve the agenda by Carolyn Minear, second by David Dickerson. Motion passed unanimously.

Jeanne Wall had some changes to the minutes and passed out a small packet to the members and staff. Motion to approve amended minutes 3-4-2022. Motion to approve amended minutes with the corrections made by Joyce Cunningham, seconded by David Dickerson. Motion passed unanimously.

(3) Public Comments

Bonnie Hanson lives at 400 Kilshore Lane came to speak about solution for a long-standing issue with Killshore Lane. She gave a brief explanation of the history of the private road. She came to speak about the issues with erosion and maintenance and to get information on what to do next. Bonnie also spoke for Lisa Waddington who lives across the street from her on Killshore Lane and she said that if they get sent a violation notice out to make sure that the city asks for a contact persons information. Bonnie came because the road is crumbling and is going into Lake Killarney and she's looking out for the lake's health and requests the city's help to resolve.

Jeanne tried to motion for city staff to provide a budget to bring the road to Winter Park standards, to provide information about the ownership, to provide the steps to be required to get a judge to allow Killshore Lane to be given to the residents, any information on how to form an HOA, and to assist the residents in a neighborhood meeting discussion and then give them time to make a decision to bring it back to the board. Carolyn made a point about if the board was able to make a motion like this with them being a Lakes Advisory board. So, the board discussed furthered and came with another motion for staff to work with the residents to come up with a minimum run off solution into Lake Killarney and then bring the status back to the board. Motioned by David Dickerson and second by Carolyn Minear. Motion passed unanimously.

(4) Public Hearings

(5) Action Items

(6) Non-Action Items

1. Letter Sent to city management about report card footnote
2. Stormwater will provide an update on Kilshore Lane
3. The Cove raw data
4. Update on Lake Killarney Shores Boat Ramp

(7) Staff Updates

Stormwater Division - Don Marcotte started to give a brief history of the accomplish of stormwater treatment around Lake Killarney starting with the lake alum interconnect chronologically starting from 2001, when Don started, to present day. Pictures were shown on what the lake looks like after a treatment, what the truck looks like with the chemicals in it, and how the chemicals get transported out to the lake. He explained why certain lakes weren't on the CIP list. Board members requested an update on Nicolet pond each meeting with what happens with that pond effects Lake Killarney.

Lakes Division - Gloria spoke about the canal and the second cove being treated for duck weed and saldinia in the past month. She explained about the most recent water samples from January from Orange County. The water samples. Also, she spoke about the maintenance that the crews do on the lakes. For example, the crews go out on the boats with a trash picker and pick trash out of the lake and they clean out the traps 4 times per month. She gave the board a heads up about a sea wall needing to be discussed for the May meeting. Joey began to give an update on the Lake Killarney Condos site visit and they wanted advice on how they can improve the lake. He brought up the future lake shore planting events to improve the lake quality and the possible event will fall on May 7th.

Due to technical difficulties the recorded died and didn't get the rest of the Lake Division update.

(8) Board Comments

Due to technical difficulties the recorded died and didn't get the board comments.

(9) Adjournment

Meeting adjourned at 12:16pm

Next meeting scheduled for May 17th, 2022 at 10am.
